

***CURRICULUM VITAE***  
***DAVID GOTEINER, DDS, FACD, FICD***

***I. PERSONAL INFORMATION***

Citizenship: United States of America

Office Address: The Crossroads  
24 North Road  
Chester, NJ 07930

Office Telephone: (908) 879-7709

***II. EDUCATION***

1968 B.S. Biology  
Brooklyn College  
City University of NY  
Brooklyn, NY

1972 D.D.S.,  
Cum Laude  
School of Dental and Oral Surgery  
Columbia University  
New York, NY

1977 Three Year Research Fellowship  
in Periodontology and Oral Medicine  
School of Dental Medicine  
Harvard University  
Boston, MA

***Specialty Board***

1977 Part I American Academy  
of Periodontology

***License***

1974 Massachusetts License #12486  
1977 New Jersey License #11188  
1972 New York State License #18742

**III. EMPLOYMENT HISTORY**

**Academic/Administrative Appointments**

1986 – Present	Clinical Professor Department of Periodontology University of Medicine and Dentistry of NJ New Jersey Dental School Newark, NJ
2000 - Present	Clinical Professor (Co-terminus) Department of Oral Pathology, Biology and Diagnostic Sciences

**Previous Positions**

1981 - 1986	Clinical Associate Professor Department of Periodontology University of Medicine and Dentistry of NJ
1977 - 1981	Assistant Professor Department of Periodontology University of Medicine and Dentistry of NJ
1974 - 1977	Instructor, Harvard School of Dental Medicine, Boston, MA

**Private Practice**

1980 - Present	The Crossroads 2A North Road Chester, NJ 07930 (908) 879-7709
----------------	--

**Military Service**

1972 - 1974	General Dentistry Officer (Captain USA) Preventive Dentistry Officer  Assistant Clinic Chief Dependent Care Dental Clinic Instructor- Expanded Duties Dental Assistant Program Fort Knox, KY
-------------	---

**Hospital Appointments**

***Curriculum Vitae - David Goteiner, DDS, FACD, FICD***

***Page 3***

1982 – Present	Attending Morristown Memorial Hospital 100 Madison Avenue Morristown, NJ
1985 - 1998	Attending Hackettstown Memorial Hospital 615 Willowbrook Road Hackettstown, NJ
1998 - Present	Consultant Hackettstown Memorial Hospital 615 Willowbrook Road Hackettstown, NJ
1980 - 1982	Assistant Attending Morristown Memorial Hospital 100 Madison Avenue Morristown, NJ
1978 – 1982	Attending University Hospital, University of Medicine and Dentistry of NJ Newark, NJ

***IV. PROFESSIONAL ACTIVITIES***

***Teaching***

***University of Medicine and Dentistry  
of New Jersey***

2000	Clinical Professor Department of Oral Pathology, Biology and Diagnostic Sciences
1998 - Present	Clinical Professor Division of Oral Medicine
1986 - Present	Clinical Professor Department of Periodontics
1981 - 1986	Clinical Associate Professor  Department of Periodontology
1977 - 1981	Assistant Professor Department of Periodontology

1974 - 1977  
Instructor, Harvard School of  
Dental Medicine, Boston, MA

**Research Activities**

1967 - 1968  
Brain and cranial evolution as seen  
from a paleontological viewpoint

1967 - 1968  
Development of a reliable method for diagnosing  
candidiasis and quantitating titers to *Candida*  
*albicans*

1969 (Summer)  
N.S.F. Research Fellowship at the Bronx Veterans  
Administration Hospital in the laboratory  
quantification of serum triglycerides and cholesterol

1974 - 1982  
Epidermal Wound Healing

1978 - 1982  
Periodontosis and altered leukocytes chemotaxis.  
(Unfunded)

1979 - 1980  
Co-investigator  
Histological observation of cat gingiva when  
exposed to hydantoin and folic acid. Funded by the  
College of Medicine and Dentistry Foundation

1979 - 1981  
An epidemiologic survey of periodontal disease in  
juvenile diabetics.(Unfunded)

1979 - 1985  
Membrane coating granules. Ultrastructural changes  
after wounding (funded) and after intracellular  
brushing. (Unfunded)

1982 - 1987  
Effects of inflammation and non-steroidal anti-  
inflammatory agents on Langerhans cells.

1982 - 1985  
Effect of non-steroid anti-inflammatory drugs on  
periodontal disease.

1984 - 1986  
Effect of neuroleptic drugs on dental health

1991 – 1999  
Lyme's Disease

1993 – Present  
Periodontitis and cardiovascular disease

2000 - Present  
The relationship between professional dental care,

endotoxin levels, interleukin polymorphism and acute coronary syndrome

**Research Grants**

- 1974 - 1978 Histological and immunological observation of intraoral wound healing. Funded: NIDR 1974 - 1977; CMDNJ Foundation 1978 to present (\$12,700) principal investigator
- 1979 - 1982 Ultrastructural observation of membrane coating granules and return of vapor barrier function in epithelium after wounding. Funded: Johnson & Johnson products, Inc. (\$2,800) principal investigator.
- 1980 - 1982 Periodontal disease - the efficacy of anti-inflammatory drugs. Funded: CMDNJ Foundation (\$16,740) principal investigator.
- 1980 - 1986 Periodontal disease - the efficacy of non-steroidal anti-inflammatory drugs. Funded: McNeil Laboratory (\$20,000), Merck Research Institute (\$32,000), Merck Research Institute (\$60,000) co-investigator.
- 1982 - 1988 Dental sensitivity. The effects of potassium nitrate containing dentifrice. Funded: Block Drug (\$4,000). Funded: Marvin S. Stark Foundation (\$1,800)
- 2000 The relationship between professional dental care, endotoxin levels, interleukin profile and myocardial infarction  
Funded - Health Foundation of NJ \$13,400 for period 4/2000 – Present. Principal investigator.

**Service - University/School**

***University of Medicine and Dentistry  
of New Jersey***

- 1977 – 1979 Bylaws and Elections  
1978 Chairman, Subcommittee on Elections  
1978 Admissions Committee  
1978 - 1981 Clinical Council

***Curriculum Vitae - David Goteiner, DDS, FACD, FICD***

***Page 6***

1978 - 1980	Student Academic Performance Committee
1978 - 1979	Senior Thesis Advisor
1979 - 1980	Clinical Affairs Subcommittee of the Curriculum Committee
1979 - 1980	Student Affairs Committee
1979 - 1982	Patient Care Advisors Program
1980 - 1981	Course Director, Junior Periodontology
1980 - 1982	Coordinator, Introduction to Clinical Dentistry
1982 - 1985	Human Use Committee, Institutional Review Board
1985 - 1987	Student Academic Performance Committee
1985 - 1991	Advisory Council, Dental Assisting Program County College of Morris
1986 - 1987	Chairman, Student Academic Performance Committee
1991 - 1996	Continuing Education Committee
1978 - 1984	Legislative Liaison, Common Cause
1980 - 1990	Council on Education, NJ Dental Association
1980	Committee on Third Parties and Delivery of Care New Jersey Society of Periodontist
1981 - 1989	Executive Council, Tri-County Dental Society
1982 - 1992	Dental Assisting Advisory Committee, County College of Morris, Randolph, NJ
1983 - 1994	Business Manager, Tri County Society Newsletter NJ Dental Association
1984 - 1987	Vice Chairman Council on Education New Jersey Dental Association
1984 - 1989	Delegate, New Jersey Dental Association
1984 - 1991	Staff Periodontist, Project Carolyn: Marvin Stark Foundation University of California Dental School, San Francisco, California
1984 - Present	Chairperson, Garden State Periodontal and Implant Study Group

***Consultantships***

1980	Comparison of Reach Toothbrushes with conventional toothbrushes. Johnson & Johnson Products, Inc.
1981	Comparison of Superfloss with floss. Educational Health Products, Inc.
1981 - 1985	Preparation of a therapeutic toothpaste for F.D.A. approval. Blendax Werks, Mainz, West Germany

***Curriculum Vitae - David Goteiner, DDS, FACD, FICD***

***Page 7***

1982 - 1984	Clinical evaluation of a potassium nitrate dentifrice, Block Drug Co. Jersey City, NJ
1984 - 1988	Product Evaluation Laboratory, University of California, San Francisco, California
2003 - 2005	Evaluation of orally delivery testosterone Columbia Laboratories Livingston, NJ
2006 – Present	Reviewer. Journal of Periodontology

***IV. PROFESSIONAL ACTIVITIES***

***Editorial Board***

1984 – 1986	Reports from the Product Evaluation Lab, Dental E-Val Corp. Publisher: Dental E-Val Corp, Princeton, NJ.
2006 – Present	Reviewer – Editorial Board Journal of Periodontology
2009	Reviewer – Editorial Board Journal of Applied Oral Science

***Special Awards***

1969	Elected to William Jarvie Honor and Research Society of Columbia University
1972	Certification for Excellence in Radiology by the American Academy of Dental Radiology
1994	Fellow American College of Dentists
2000	Fellowship in the International College of Dentists

***Other***

1985 - Present	Long Range Planning Committee Morristown Memorial Hospital
1992 - Present	Laser Use Committee Morristown Memorial Hospital

1994 - Present	Morristown, NJ Dental Advisory Committee First Option Health Plan, Red Bank, NJ
1994	Local Arrangements Committee 1995 Convention American Academy of Periodontology
